Dear Friends,

We are fortunate to live in Lehigh Valley for many reasons. We have a beautiful Hindu Temple that houses all the four major religions that originated in India namely, Hinduism, Jainism, Sikhism, and Buddhism. Arsha Vidya Gurukulam is only a short drive up north with its vast resources that offers spiritual teaching and healthy meal—both free to all. *Siddhachalam*, a Jain Ashram in a serene setting is less than an hour drive from our temple. We also have many Gurudwaras, temples and other places of worship in and around Lehigh Valley. In addition, the Indian American Association of Lehigh Valley (IAALV) serves all of us that call India as our Motherland.

The entire country saw the sacrifices made by the healthcare professionals during the last two years of the Covid-19 pandemic. Lehigh Valley is very blessed to have over two hundred physicians of Indian origin offering topnotch medical care to all residents. Many of these doctors also serve the temple in various capacities both in the Executive Council and on the Board of Trustees. The temple management sincerely thanks the Lehigh Valley American Association of Physicians of Indian Origin (LV AAPI) and our beloved doctors for their selfless service and generous financial support over the years.

In the following pages, you will see the updated directory of LV AAPI doctors serving the valley in various specialties. We thank Dr. Sanjeev Vasishtha for his immense help in compiling this comprehensive list. We are sure that this list will be a valuable resource for all of us in the valley.

Finally, a request to all physicians in this list. If you would like to correct any of the details on this list, please email Pattabi.hts@gmail.com. To add new physicians to the list or delete existing entries, please email drvasishtha@gmail.com.

Thank you.
